WORK EXPERIENCE

■ Aga Khan Foundation - Aiglemont, France

Part Time Remote Intern 2024

Conceptualized custom illustrations and educational frameworks for global curriculum, translating complex concepts into clear, engaging visual systems.

Created materials remotely, incorporating interactive elements to enhance comprehension and retention

Maintained consistent communication with the team to align content with curriculum goals

■ DHD Film Company - Dallas, TX

Graphic Design Intern 2023 - 2024

Ideated cross-channel marketing and branding assets and high-stakes presentation designs for client pitch decks, accelerating campaign production.

Partnered with senior directors to translate complex briefs and analytics into polished data visualizations and market-ready design concepts.

■ Aga Khan Hospital - Dar Es Salaam, Tanzania

Architecture Intern 2019

Translated complex engineering sketches into precise, execution-ready architectural blueprints using CAD software.

Conducted structural site evaluations to align architectural intent with engineering and construction standards.
